COLECCIÓN FW21

Con FW21 Loreak Mendian va más allá. Esta colección destaca por la responsabilidad en cuanto al medioambiente y el compromiso con las personas. Algo que se materializa en que el 74% de las prendas llevan el sello “Commitment” que representa las prácticas sostenibles, visibles en el uso de algodón orgánico, tejidos reciclados, métodos libres de PFC o en los certificados Oeko-Tex y Blue Sign. Un ejemplo de ello es la EDGE Apparel Series, una línea 100% sostenible, que simboliza la meta hacia la que está encaminada nuestra marca. Además, se integran las tecnologías propias de Ternua Group: Microshell, Shelltec, Warmshell y Windshell. La marca, que se define bajo el eslogan “Form elevated to function”, además de avanzar en su compromiso con el planeta, no renuncia a su esencia funcional y de diseños cuidadosos.

En definitiva, Loreak Mendian presenta su colección más sostenible hasta el momento con su característico diseño urbano, minimalista y atemporal.

FW21 COLLECTION

This is materialised in the fact that 74% of the garments bear their “Commitment” seal which represents sustainable practices, visible in the use of organic cotton, recycled fabrics, PFC-free methods or the Oeko-Tex and Blue Sign certificates. An example of this is the EDGE Apparel Series, a 100% sustainable line that symbolises the goal on which our brand is focused. In addition, technologies from the Ternua Group have been integrated: Microshell, Shelltec, Warmshell and Windshell. The brand, which is defined by the slogan “Form elevated to function”, in addition to advancing in its commitment to the planet, does not renounce its functional essence with careful designs.
