LOREAK MENDIAN

Details make the difference; that's why this season Loreak Mendian returns to the world of accessories. Because there is a reason for everything, our accessories are technical and designed with sustainable and resistant materials. To create a singular style that gives your personality a vibrant touch.

Small items that will make your day-to-day life easier, contributing sustainability, functionality and technology in equal parts, as well as adding that hint of clean and careful design.

Sustainability

ORGANIC COTTON

It is a natural fiber grown without using pesticides and synthetic fertilizers, in a sustainable way. It does not pollute the land, nor is it harmful to the health of those who cultivate and handle it.

RECYCLED FABRICS

Textiles are processed to give garments a second life and to reduce their impact on the environment.

Commitment

OEKO-TEX

Textiles that have been tested to control and avoid any harmful substances.
