(S23) (MEN'S) BLOOM YOUR ESSENCE)

LOOKBOOK)

La moda es transformación.

Transformar materiales, texturas, formas, colores. Hacer de las ideas, prendas. Y repensar, deshacer, para volver a hacer. Coser y florecer. Dejar aflorar sueños y recuerdos. La moda transforma lo que eres en lo que vistes. Te da el poder de ser y parecer. Con tus todos. Con tu yo más real, más abierta, más expresiva. Es la verdadera magia. Una colección para vivirla con los cinco sentidos, jugar, probar, gritar, explotar. Para dejar que el sol te pinte, la brisa te peine y la naturaleza te vista.

En esencia, una colección para florecer.
