RAW CITY

Son las entrañas, lo que no se ve, lo que vive la otra cara de la ciudad. Son sus recovecos, sus paisajes de hormigón, óxido, polvo. Sus calles sin salida, su arquitectura sólida.

Son sus esquinas invisibles, edificios vacíos y carreteras desbordadas.Una esencia sin refinar, sin adulterar, sin adornos.

Vestir los asfaltos fríos, capturar sin pretensiones, moda fuera de la moda.

Es la ciudad, en crudo.

The entrails, the unseen, the other side of the city. Its nooks and crannies, its landscapes of concrete, rust, dust. Its dead-end streets, its solid architecture.

Its invisible corners, empty buildings and overflowing roads.An unrefined, unadulterated, unadorned essence.

Dressing up the cold pavements, capturing unpretentious, out-of-style fashion.

It is the city, raw.

Les entrailles, l’aspect invisible, la vie de l’autre côté de la ville. Ses recoins, ses paysages de béton, de rouille, de poussière. Ses rues sans issue, son architecture robuste.

Ses coins de rue invisibles, ses bâtiments vides et ses routes encombrées.Une essence pure, intacte, sans fioritures.

Habiller les asphaltes froids, immortaliser la mode démodée sans prétention.

C’est la ville, à l’état brut.
